

The Office of Student Success will continue to work with campus-wide partners to help students achieve their educational goals by providing support, resources, and information to students, parents, and community members.

Objectives

1. **Student Support:** Provide resources and information to help students succeed in their educational journey.
2. **Academic Success:** Offer academic support services and resources to students before, during, and after the learning process.
3. **Financial Aid Assistance:** Provide information and resources to help students understand and apply for financial aid.
4. **Career Development:** Offer career counseling and resources to help students explore and prepare for their future.
5. **Community Engagement:** Encourage students to participate in campus and community activities.
6. **Student Health and Wellness:** Offer resources and support to help students maintain their physical and mental health.
7. **Accessibility:** Provide resources and support to help students with disabilities succeed in their education.
8. **Language and Cultural Support:** Offer resources and support to help students with language and cultural needs.
9. **First-Year Experience:** Provide resources and support to help students adjust to college life.

Assessing

1. **Track the success of the plan's objectives and outcomes:** Use data and metrics to measure progress.
2. **Communicate with the community:** Keep stakeholders informed and involved in the process.
3. **Monitor and evaluate the plan's impact:** Assess the effectiveness of the plan and make adjustments as needed.
4. **Report and document the results of the plan:** Provide regular updates to the community.
5. **Review progress, assess impact, and make adjustments:** Use data and feedback to inform the plan's future.
6. **Engage students in the assessment of all activities:** Seek input from students on the plan's effectiveness.
