The Counseling Department for Student Development (DCODE for its acronym in Spanish) of the Deanship of Students of the Rio Piedras Campus, University of Puerto Rico, announces the search for a tenure track position as Clinical Psychologist, effective **January, 2, 2023**.

Requirements:

- Doctorate in Clinical Psychology [Ph.D. or Psy.D.] from an institution accredited by the Middle *States Commission on Higher Education*.
- Professional license to practice psychology provided by the Puerto Rico Psychology Examining Board of the Department of Health of Puerto Rico.
- Five (5) or more years of experience offering individual and group psychotherapy, and at least three (3) years of experience in university context.
- Training and experience offering psychological services in a virtual (remote) format.
- Training and experience offering psychological services using evidence based therapies.
- Training and skills in the use of electronic records.
- Organizational skills in conducting psychoeducational activities for a college student population.
- Experience as a facilitator or resource in psychoeducational activities for college students.
- Experience working effectively as a part of an interdisciplinary team.
- Effective communication skills in English and Spanish, both oral and written.
- Professional experience in the preparation of research and/or service proposals.
- Experience in the conducting research and dissemination of research finding through professional publications and presentations in their professional field.
- Commitment with obtaining external funds by developing research and/or service projects.

Responsibilities:

- Work in individual and group prevention, evaluation and interventions related to the wellbeing and mental health of college students.
- Be a part of an interdisciplinary team by participating in collaborative work with cases, case discussions and consultation related to active clients.
- Crisis intervention and the development of psychoeducational and outreach activities for the college student population.

- Participate in department, faculty or institutional committees that work on the vision, mission, goals and objectives of the Rio Piedras campus of the University of Puerto Rico.
- Develop research projects related to their field and service to the college population.
- Disseminate research findings in professional conferences and peer reviewed journals.
- Develop research or service proposals for obtaining external funds.

Required documents:

- Cover letter in which the candidate expresses:
  - Motivation to work in a university setting
  - Research and creative work
  - Contributions made in their field or discipline
  - Projects in their professional field in which they would like to get involved or develop in the future
- Updated Currículum Vitae
- Copy of their License to practice psychology and Professional Registry
- Copy of diploma or certification of highest degree
- Copy of evidence of professional certifications
- Official copy of academic records of all degrees obtained
