

**U.S. ARMY**

# Army ROTC

Army ROTC wants students who are looking for meaningful careers that make a difference by serving others, allowing them to be a part of something bigger than themselves.

Army ROTC opportunities are found at 920 colleges, and universities in all 50 states and four U.S. territories.

From Ivy League schools to State Universities, Army ROTC offers the most flexible scholarship program in America.

## Unlimited Opportunities

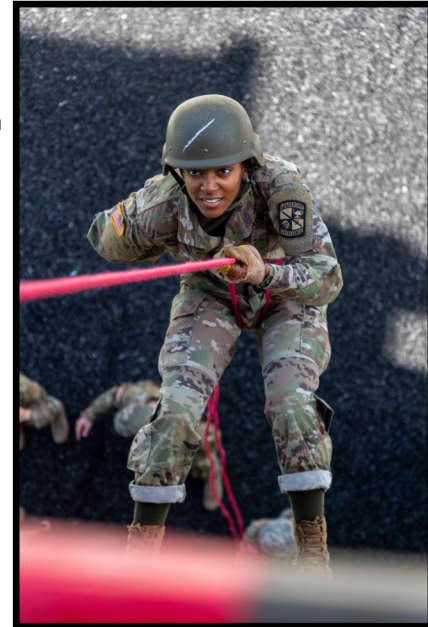

- When you become an Officer in the Army, your opportunity for growth doesn't stop.
- Through internships, higher education programs, professional development course and more, the Army will help you build a strong professional foundation.
- Becoming an Officer will help you if enter the civilian work force, as employers place a high value on workers who can lead others in stressful situations.

The Army awards approximately \$300 million in ROTC Scholarships each year.

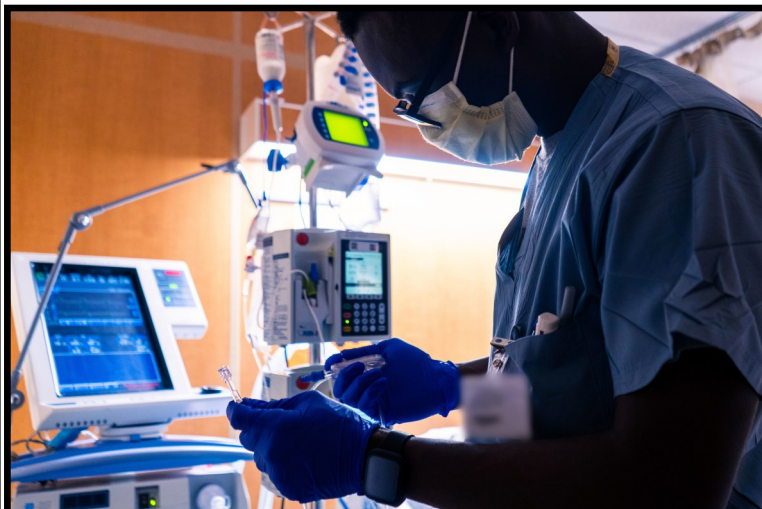

With more than 100 different jobs to choose from the Army offers opportunities that fit most degree plans.

## Professional Training & Development

- Cadets can participate in Cadet Professional Development Training (CPDT).
- This program provides a variety of leadership and professional development training opportunities during the summer, such as internships, attending an Army school (Airborne or Air Assault), or spending a month with an Active-Duty Army unit.
- Cadets participating in summer training activities are considered on Active Duty for professional development and receive pay and benefits.

**U.S. Army Cadet Command partners with universities to recruit, educate, develop, and inspire Senior ROTC Cadets in order to commission officers of character for the Army, Army Reserve and National Guard.**

## Choose Your Own Path

- Regardless of whether you are a student athlete, a medical student or studying human resources the Army has a career path for you.
- Army ROTC will assist you with paying for your education, give you specialized training and years of on the job experience.

# ROTC Scholarships

Army ROTC scholarships range from two, three and four-year scholarships for any academic discipline. Scholarships may be used to cover either tuition and fees or room and board. All scholarships include a monthly \$420 tax-free stipend during the school year and \$1,200 per year for books. Selection is based on academic performance and achievements, not financial need.

## The Guaranteed Reserve Forces Scholarship

Students/Cadets interested in commissioning into the National Guard or Army Reserve with a guaranteed reserve component assignment can apply for this scholarship.

For the National Guard scholarship, Cadets must be involved in the Simultaneous Membership Program (SMP) with a National Guard unit while in school and have a letter of acceptance from a local Guard unit stating that they will accept you in a SMP status. Following graduation, cadets begin a new Military Service Obligation (MSO) contract and serve eight years in the Guard, which includes training.

## On Campus Scholarships

There are four-year, three-year and two-year scholarships available to students already enrolled at a university either at the graduate or undergraduate level.

Four-Year scholarships are most commonly applicable to current students who are on a five-year college plan, while Two-Year Scholarships are more common for those who attend certain participating two-year community colleges before transferring to a four-year university.

Interested students should speak with the Army ROTC Recruiting Operations Officer (ROO) at their university for more information on these scholarships.

## National Scholarships

Four-year Army ROTC National Scholarships are designated for high school students. The selection process is highly competitive as thousands of students across the nation apply each year.

There are three annual scholarship boards to decide on scholarship recipients. The applications open in June of each year. Interested students can submit applications until March, before the last scholarship board is held.

## 4 year Scholarship Requirements

Be a U.S. Citizen	Age 17-31
High School Diploma or equivalent	Meet Physical Fitness Standards
Take the SAT or ACT	2.5 High School GPA

The Army awards approximately \$300 million in ROTC Scholarships each year.
